

April is National Credit Union Youth Month™!

This year's theme focuses on the future. Why? Because even from a young age, it is important to have the future in mind. Help your children, nieces, nephews, or grandchildren save for the future by opening a youth account with Members Source Credit Union.

How our young members can use the **Science of Saving** to save for the future:

- Members Source Credit Union will match up to \$10 of one deposit<sup>1</sup> made to a Kid Zone or Teen Zone Account during the month of April 2015
- Enter the [CUNA National Youth Saving Challenge](#)

We also will be conducting a coloring contest for the month of April. Stop by our Merrillville, Griffith or Munster offices to color a [Science of Savings Coloring Page](#) for a chance to win a \$25 Visa Gift Card!<sup>2</sup> If you can't make it into the office with your young ones, download a coloring page and drop it off or send it in (make sure your young one's name is on the back of the coloring page).

For more information about opening a youth account or about the youth month activities, please call 800-260-5183. We can't wait to see you and your young savers!

<sup>1</sup>Up to \$10 of one deposit made to a youth account during the month of April 2018 will be matched by Members Source Credit Union.
