*I (we) understand that the terms and conditions of the original loan agreement will apply except that there will not be a regular monthly payment due during the month requested to skip. That the regular monthly payment will resume the month after the month skipped. That finance charges will continue to accrue during the deferral period. That deferring payment will result in higher total finance charges than if payments are made as stated in original loan agreement and that the term of the loan will be extended. I (we) understand that two payments (per loan) per 12 month period are allowed. Skip-A-Pay cannot be used to skip the first payment on a loan. If you have Gap Insurance, restrictions may apply. Request for Skip-A-Pay is subject to approval.
